## A BIT OF ADVICE

First—Don't Delay. Second—Don't Experiment

If you suffer from backache, headache or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Ask your neighbor. Can Norwich residents desire more convincing proof of their effectiveness than the statement of a Norwich citizen who has used them and willingly testifies to their worth?

Mrs. A. D. Lathrop, 3 Stanton Ave., Norwich, says: "I am recommending Doan's Kidney Pills because I have used several other medicines for attacks of backache and found none as good as Doan's. They give great relief, always strengthening my back. I recommend Doan's Kidney Pills because I think they will help others."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lathrop had. Foster-McBarn Co., Mfrs., Buffalo, N. Y.

## YANTIC

The members of the Woman's guild of Grace church held their annual Christmas sale combined with a supper in the guild room Tuesday night, Dec. 14th, and netted \$182. Many help novelties were quickly disposed of and the supper menu was very satisfactory.

Yantic suffered as a result of Tuesday's storm. A culvert opening in the top at the rear of the schoolhouse lot belonging to the Liberty Woolen company's property here was stopped up and the water from the reservoir overflowed, which comes down in a brook and flows through a tunnel to the mill canal, rushed over the cobblestone road, rolling out the huge stones and much dirt and rubbish over the main road into the mill yard near the engine house. There an improvised dam

was built in order to keep the water from getting into the engine room, some getting into the canal and a part of it pouring its way down the sidewalk and doing more damage. Employees of the state highway department were out all the evening placing danger signals and trying to direct the flow of the water. Wednesday morning a few truck loads of workmen started repairing the road and the square. Large pine trees in some of the woods were blown over and damage was done to telephone wires.

Paul Fitzgerald has returned to his home in Manchester after a brief visit with friends here.

Joseph Conolly, Jr., of Newark, N. J., was a recent guest at Pine Tree cottage.

Harry Allen, constant at the Yantic station, has been confined to the house all week because of a severe cold.

Miss Blanche Richards has returned after a few days' stay with friends in Manchester.
